Tim Hues

```
G             Dsus                    Am
Light of the world, You stepped down into darkness
G         D             C2
Opened my eyes, let me see
G             Dsus          Am
Beauty that made this heart adore You
G         D                 C2
Hope of a life spent with You

                    G                          D/F#
     So here I am to worship, here I am to bow down
                 G/B                      C2
     Here I am to say that You're my God
                    G                       D/F#
     You're all together lovely, all together worthy
                 G/B            C2
     All together wonderful to me

G             Dsus                    Am
King of all days, oh so highly exalted
G         D             C2
Glorious in heaven above
G             Dsus           Am
Humbly You came to the earth You created
G             D               C2
All for love's sake became poor

Repeat Chorus

         Dsus    G         C2
     I'll never know how much it cost,
        Dsus    G     C2
     To see my sin upon that cross  (repeat 3x)
